DESCRIPTION

Exceptionally Maintained Apartment with Two Spacious Terraces and a Private Garage Box in the Heart of Turnhout

Just a stone's throw from Turnhout's lively Grote Markt, this beautifully maintained apartment is located on the first floor of a small, quiet residential building. It offers the perfect balance between vibrant city life and peaceful, comfortable living.

The apartment stands out thanks to its high-quality finishes, excellent upkeep, and two terraces — the rear terrace being remarkably spacious, fully covered, and offering rare outdoor privacy.

You enter through a neat entrance hall that leads to a generous, light-filled living room. Adjacent is a fully equipped kitchen with an elegant natural stone countertop. A convenient utility room next to the kitchen provides space for a washer and dryer.

At the front, you'll find a cozy covered terrace overlooking the city's dynamic streetscape. Toward the rear of the apartment, a hallway connects to the two bedrooms and the expansive second terrace — ideal for enjoying the outdoors in peace and quiet.

The bathroom is spacious and features a large corner bathtub and a stylish vanity unit. The separate toilet is located in the hallway. The master bedroom opens directly onto the rear terrace, offering a serene sleeping environment. The second bedroom includes practical built-in wardrobes and also has access to the terrace.

Comfort is further enhanced by a large private garage box with automatic door, located in the rear garage complex. This garage is available for purchase at an additional cost of €25,000.
