DESCRIPTION

Located in this young neighborhood you will find this beautiful energy efficient corner house with indoor garage, sunny garden and garden shed.

Its central location with only 30 car minutes to both the heart of Eindhoven or Antwerp is also a huge advantage.

Entrance hall with guest toilet, access to the living room that gives out to the covered terrace and the sunny garden. The living room is rectangular in shape and has a decorative fireplace. The kitchen is closed by the beautiful and practical glass door so there is still contact and light from the living room but the culinary smells remain in the kitchen. The kitchen is well equipped with all necessary appliances and has a convenient adjacent storage area for an extra refrigerator or storage. The garage can be accessed through the kitchen but also directly from the backyard. It is spacious and has an automatic rolling door and connections for washer and dryer.

Floor

The fixed staircase in the entrance hall leads to the landing of the bedroom floor. Here there are 3 bedrooms, a dressing/desk and a nice bathroom. The latter has a large walk-in shower, 2 sinks and a toilet.

Exterior

The backyard has a covered patio and is sunny facing. A spacious garden shed should not be missing here.
