DESCRIPTION

Centrally located spacious house near the bustling center of Turnhout

Within walking distance of the lively city center and just a few minutes from the Turnhout ring road, you will find this perfectly located family home with excellent access to the main roads. This house combines a spacious layout with practical amenities and a charming garden.

Upon arrival, you will find a driveway with space for several cars, a spacious garage, a storage room at the rear, and a practical laundry room.

On the first floor is the bright living room, which seamlessly connects to the fully equipped kitchen, recently renovated in 2018, with a large worktop, plenty of storage space, and access to a separate guest toilet.

The second floor offers four bedrooms—two spacious and two more compact—ideal for a family or working from home. The stylish bathroom, also renovated in 2018, is equipped with a toilet, sink, and a spacious walk-in shower.

The cozy garden is accessible from both the living area and the ground floor and offers several seating areas to enjoy in peace and quiet. The terrace canopy with louvered roof allows you to play with sun and shade as you wish, while the storage room at the back of the garden offers extra space for your garden equipment.
