DESCRIPTION

Centrally located semi-detached home in excellent condition, carefully renovated and updated over the years. This spacious property combines comfort, functionality, and enjoyable outdoor living. There is parking in front of the house, while the **automatic carport with space for two vehicles** provides direct access to the rear garden.

You enter the home through an entrance hall with ample space for coats and shoes. The generous living room offers a pleasant living area and flows seamlessly into the cozy kitchen, which is fully equipped and features a dining area and a bright skylight. At the rear of the kitchen, you'll find a snug TV corner overlooking the terrace and swimming pool. The ground floor also includes a bathroom with walk-in shower, washbasin, and toilet.

On the first floor, there are two spacious bedrooms and a well-maintained bathroom with bathtub, washbasin, and toilet. The second floor offers two additional bedrooms and a practical storage room.

The garden is a true highlight: beautifully landscaped with terraces at both ends, a recently installed **heated swimming pool with automatic cover**, and a generous outbuilding that is perfectly suited as a workshop, mancave, or hobby space. Additionally, a pleached lime tree will be planted by the neighbour, enhancing privacy and creating a green, tranquil setting.

Technically, the property is fully up to date: roof renewed in 2017 with 14 cm insulation, condensing boiler (2018), solar panels (2018), air conditioning (2023), heated swimming pool (2023), and a recently updated ground floor bathroom (2025).

In short, a move-in ready and exceptionally complete home in a central location, offering everything you need for comfortable living.
