DESCRIPTION

This particularly beautiful property is quietly and residentially located 150m from nature reserve De Liereman, with Eindhoven and Antwerp both at a distance of about 30 minutes by car.

Despite the generous living area of 870m², the house exudes a cozy atmosphere. Interior and functionality are central, in addition, the construction is very solid due to the use of steel and concrete. The house was built using progressive techniques concerning, among other things, insulation and two new boilers with controls resulting in a favorable energy score of 157 kWh. Moreover, both the house and the beautiful garden – located on a plot of approx. 11600m² in an excellent state of maintenance.

Spacious entrance on marble floor followed by the entrance hall with access to the spacious living room on the left, the wellness area with swimming pool, sauna and infrared cabin on the right.

The living space consists of different areas that are cozy, in contact with each other and overlook the south-west facing landscaped garden in full privacy. For example, on the left we find the study corner with a spacious office, integrated into the whole. Furthermore, there is a sitting and TV / corner separated with a shared gas fireplace followed by a garden room. We also find a beautiful spacious dining room, with double doors to the terrace.

The fully equipped Bulthaup kitchen is timeless and equipped with the best appliances. Handy utility room with cupboards and an extra extractor hood and kitchen unit.

The entrance hall, which overlooks the swimming pool, has a guest toilet with wardrobe. The spacious night hall gives access to the master bedroom with roof terrace, dressing room and modern bathroom with whirlpool, double sink and shower. There are also two spacious bedrooms with a bathroom in between and each with its own dressing room. Furthermore, we find a fourth bedroom with sink, two spacious attic rooms and a storage room.

The wellness area with heated sun terrace consists of an indoor swimming pool and fireplace with cosy seating, sauna, infrared cabin, shower room, changing rooms and toilet.

The spacious night hall gives access to the master bedroom with roof terrace, dressing room and modern bathroom with whirlpool, double sink and shower. There are also two spacious bedrooms with a bathroom in between and each with its own dressing room. Furthermore, we find a fourth bedroom with sink, two spacious attic rooms and a storage room.

The basement consists of a wine cellar, a technical room, an archive room and has as an extra asset: a spacious garage with space for at least 4 to 5 cars. This floor is accessible through the utility room and one of the three automatic garage doors on the outside.

The exceptionally beautiful garden was laid out under architecture, first 5000m² around and behind the house is laid out as an ornamental garden, with ample provision of plants, behind it is a forest with an entrance from the adjacent street. The garden itself is equipped with a sprinkler system, garden lighting and pond with purification circulation.
